
Best schools in largo florida

A student with dark hair is seen from behind, writing on a chalkboard. The board is filled with mathematical equations. At the top left, $x^2 + y^2 = r^2$ is written. Below it, the general equation for a circle is shown: $(x-h)^2 + (y-k)^2 = r^2$. To the right, a quadratic formula is written: $\frac{-D \pm \sqrt{D^2 + E^2 - 4F}}{2}$. At the bottom, the word "fried" is partially visible.
